

Warsaw, September 21, 2022

Dear Colleagues,

on behalf of the Center for the Defense of Human Rights “Memorial” and WOT Foundation (Fundacja WOT) (Warsaw) I would like to send an invitation to a series of seminars for European judges and lawyers on violations of the law by the present-day Russian Federation.

The seminars will be of interest to those professionals who work with cases involving citizens of Russia, Belarus or other post-Soviet countries.

We plan to held online meetings led by well-known Russian human rights defenders and lawyers. They will talk about aspects of the modern judiciary system in Russia and how this system uses European courts to persecute political opponents.
